ATTN: Chief Judge / Clerk of Court in United States Western District Of North Carolina, Asheville
Division

I am a Pro Se Litigant. My PACER username is galaxygazing. I have a Pacer bill of \$181.

I can't afford to pay this fee. PACER recommended that I request that my PACER fees be waived with
an Exemption Order.

I was unaware that I would be charged for downloading documents. I know now there is a limit as
to how much can be downloaded before the account is charged.

I apologize for the mistake, and can assure it won't happen again in the future.
